Church of Mosaic and Hospice in Tabaka

The late Monsignor Vergani also reported: "The chapel was profaned, the door broken open, the statues in pieces, sacred vestments torn and thrown on the floor, the tabernacle opened by force, the chalice stolen, crosses broken."

Our Lady of France Hostel and Church in Jerusalem

Father Pascal St. Jean, Superior of Our Lady of France Hostel reported the following:

"Rooms were ransacked, the archives of our Father Superior were plundered, scattered, and destroyed. The safe was opened, emptied, all money and valuables were stolen. Both chapels were desecrated, figures of Christ unfastened from crosses and taken away. In the great chapel we came upon Jewish soldiers of both sexes dancing in the sanctuary to the music of the harmonium. Benches were taken outside and used for profane purposes. We have seen mattresses in the great chapel and Jewish soldiers have certainly been sleeping there. I protest against these acts in particular. They are sins committed on the premises of holy worship."

Greek Catholic Church, Jaffa

Father A. Rezk of the Greek Catholic Church, Jaffa, reported on August 4, 1956 the following:

"My church has been desecrated by the Jews. Armed Jewish soldiers broke through the Church door. They stole two chalices, and sacred vases containing the Holy Host, three crosses, a patena plate, two altar spoons. They threw away the icons of Jesus Christ and the Holy Virgin in a garden next door."

ZIONIST GUILT

Zionists stand guilty as charged before the bar of history and world opinion of "WAR CRIMES AND CRIMES AGAINST HUMANITY." The Zionist crimes enumerated in this indictment are but a few of the premeditated atrocities and murders, carefully executed according to a set pattern by Zionists against the defenseless Christian and Moslem Arabs in Palestine previously disarmed by the British Mandatory Administration.

Those who support Zionist aggression and illegal occupation in Palestine condone genocide, looting of Arab homes and possessions, and obliteration of Palestine Arab national birthright, identity, and heritage. They are, in fact, aiding and abetting "war crimes and crimes against humanity."

INJUSTICE MUST BE RECTIFIED

Peace in Palestine and the Middle East will never prevail until this injustice is rectified. The Arabs of Palestine seek today to awaken the world conscience to their plight and to the injustice they have for so long suffered. The Arabs of Palestine have existed in exile from their ancestral homeland for 16 long years. They held steadfastly hoping that one day the civilized world would respond to their call.

The Near East has endured tension and an arms-race for 16 years. Time has proven that the Zionist adventure in Palestine has failed; it brought nothing but war and bloodshed. Zionist continued aggression and occupation in Palestine can never be conducive to peace and stability in the Near East; it must be terminated by the United Nations and the Palestine problem must be solved according to justice and international law.

REPUBLIC OF PALESTINE A HOLY LAND OF PEACE FOR ALL FAITHS

We pray these facts will prompt fair minded people all over the world to support the just cause of the Christian and Moslem Arabs of Palestine, the innocent victims of Zionist terrorism. The objective of the Christian and Moslem Arabs of Palestine is to restore the territorial integrity of Palestine and reconstitute it as a sovereign state for its indigenous lawful citizens. Freed from Zionist terrorism and occupation, Palestine will again become a land of peace, and will be preserved as the Holy Land for all faiths.

UNICEF PROMOTES COMMUNISM

The millions of dollars received from the sale of so-called UNICEF Christmas cards are primarily used to finance communism and thus our own destruction.

If you are enjoying yourself this Hallowe'en, fine. If you are having fun going door to door, that's excellent.

BUT IF YOU ARE RAISING MONEY UNDER THE UNICEF TRICK OR TREAT PROGRAM, then there are some things you should know—

UNICEF stands for "The United Nations International Children's Emergency Fund." However, it renders no service either to children or to mothers or citizens of any country.

The great majority of the money it raises goes to COMMUNIST DOMINATED COUNTRIES and is used against us by our enemies!

The main purpose of the HALLOWE'EN connection is to give this financial TRICK respectability by associating it with churches, civic organizations, and American boys and girls.

It is another TRICK to deceive Americans into financing their own destruction.

SENATE HEARINGS HAVE REVEALED COMMUNISTS IN UNICEF

Hearings of the Senate Internal Security Subcommittee have revealed a number of communists and pro-communists working for the UNICEF.

Many members of the national committee to promote the UNICEF program have been affiliated with one or more communist fronts. Communist governments have representatives on the UNICEF BOARD.

It is time we Americans awakened to the insidious method of our enemies to use even our children to accomplish their purpose, which is to overthrow our country. It is time our churches and civic organizations INVESTIGATE before they PARTICIPATE; only in this way can they avoid allowing their good reputations to be deceitfully used and abused by LEFT-WING PRO-COMMUNIST organizations.

Above all, let us stop any further attempts to USE OUR CHILDREN, under the cover of HALLOWE'EN.

COMMUNIST COUNTRIES BENEFIT FROM UNICEF

According to figures in the UNICEF Executive Board Report of April 1957, 75¢ out of every dollar contributed by the United States government went to communist dominated countries and these countries received 25 times more than they contributed. It is doubtful that this proportion has changed at all in the past few years unless it has been in the direction of a greater share for the communist conspiracy. All of the communist and iron curtain countries and some other nations contribute in non-convertible money and this money can be used only to hire citizens from these countries to work for UNICEF or one of the UN agencies, or to purchase goods from that country, or to return it as aid along with additional funds to that country, or for training in that country.

THUS, THE FUNDS OF MANY CONTRIBUTING TO UNICEF CAN BE USED ONLY WITHIN THEIR OWN NATION. THEY HAVE CLEVERLY ARRANGED IT SO THAT THEY GET THEIR OWN MONEY BACK AND FUNDS FROM THE U.S. AS WELL.

Christian Economics, October 4, 1960, states that "better known private charity groups collect and spend one dollar at a cost of seven cents; administered by a municipality, the cost is twenty-seven cents; by a state, the cost is one dollar for each dollar; and by our Federal Government, the cost is three dollars for each dollar of government charity."

AND—DON'T SEND ME A UNICEF GREETING CARD

Another source of income for UNICEF is through the sale of so-called greeting cards, especially for Christmas. Most artists who design these cards are from communist countries and many have communist front connections. Funds received benefit primarily communist countries. Here are a few of the ugly UNICEF cards, from this year's selection. The most atrocious ones could not be printed due to the horrible mess of lines and colors.

UNICEF admits they accepted the "spiritual values of the many peoples" which includes Mohammedans, Buddhists, the Hindus, the Confucianists and all others represented in the United Nations, most of whom do not celebrate Christmas. The United Nations has no God. Its cards reflect materialism which every true Christian should reject.

WE ARE FINANCING OUR OWN DESTRUCTION

According to the UN correspondent of the London Times, the UN has taken money from its "Children's Fund (UNICEF) and lent it to the UN for its Congo operation. UNICEF sources in Washington deny that private contributions are going to the UN. But a spokeman admits the U.S. government had "loaned" the UN almost all of America's $12 million contribution to UNICEF. The US donation accounts for about one half the entire budget.

By helping UNICEF in any way, you help the communists. Your money might have helped enslave 600 million Chinese, or more recently, 5 million Cubans.
